

Now will you
pay me about
your baggage.
You cannot get
it checked, unless
it is in good
shape. You
better get some
advice and
help. Your
trunk is broken
- your bedding
a couple of
storps with
Luchles, and
have it shaped.

Dear Willie

As you are expecting
soon to come home, I should
like to give you some advice
as to how best to manage your
affairs. But I really don't see
that I can anything more than
suggest. If you can get a ticket
that will allow you to stop at
Red Bluff, it might be convenient
to do so, as you could see the Co.
Supr. In that case you wd allow your
checked baggage to come on here, but
I am not sure that they will let you
stop over. You must not undertake
it unless your ticket allows it.

I think the Co Supr will collect your
money & send it to you. Perhaps
you could sell your warrant at

about 1 per cent discount. If so
I would do it, & have the money.
It almost looks as tho' you
would have to go to the Co. Sup^r & get
your warrant on the Treasurer, and
then you can leave it with him
or with any one else to draw & send
to you the money, but if you leave your
warrant, I wd take the rest of him
with whom you leave it.

I suppose you can't get the
Trustees warrant, or order on the
Co['] Sup^r - untill the Close of your
School - so I don't see but you
must lose some few days, after
your School is out. These are
all but hints & may aid you
in contriving. There is certainly
no especial hurry about your
getting down here, so far as getting
a School is concerned. That is - a
day or two more or less is not important
You have not said, just when
your School closes, but we expect
to hear further from you soon.
Your loving Pa -
